Overview

Introducing our 2.4GHz N300 Wireless Extender with an Integrated Antenna, a powerful solution to expand your wireless network's reach. Operating on the 2.4GHz frequency, this extender offers N300 speeds for reliable connectivity. With its integrated antenna, it efficiently extends your Wi-Fi coverage area. Easily set it up to enhance your existing network, ensuring seamless connectivity in your home or office. Whether you're streaming, gaming, or working, enjoy improved connectivity for all your devices with this efficient wireless extender.

Features

- Extensive 300M Wireless Range Extension
- WPS Button support
- Equipped with Built-in Antenna
- Features a Single LAN Port for Connectivity
- Adheres to IEEE 802.11n, IEEE 802.11g, and IEEE 802.11b Standards
- 802.11n WLAN for Speedy Wireless Access at 300Mbps, Ideal for Streaming, Gaming, and VoIP
- Effortless Installation with the Easy Setup Assistant
- User-Friendly Interface Allows for Free WEB Software Updates
- Supports Long-Distance Transmission: Up to 100 meters indoors, 300 meters outdoors (depending on environmental factors)
