

Q: How to clear all devices from the Gateway using, the Airlive SmartLife APP?

A: Please follow the below steps, to clear all devices you would need to use the APP.

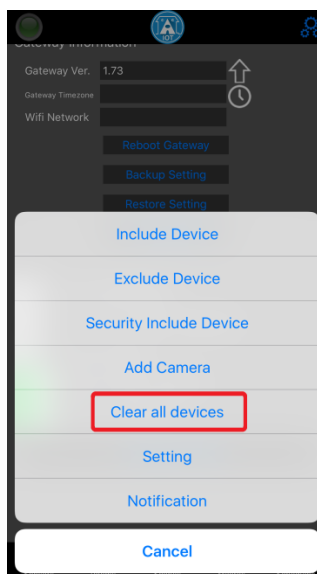

Note: All devices will be removed from the Gateway, when you did this by mistake you can put a backup back when this was made.

In the Airlive SmartLife APP go to the main device screen and in the Top right corner:

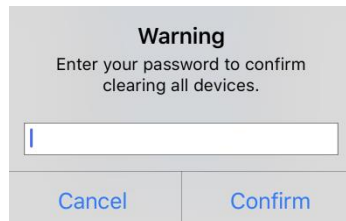

1. Click  icon
2. Pull down the screen and enable “Allow to clear all devices”

3. Click  icon --> Select “Clear all devices”

4. Input password “airlive” to confirm clearing all devices.

A warning dialog box with a gray background. At the top, the word "Warning" is centered in bold. Below it, the text "Enter your password to confirm clearing all devices." is centered. Underneath the text is a white rectangular input field with a blue border and a blue cursor. At the bottom of the dialog, there are two buttons: "Cancel" on the left and "Confirm" on the right, both in blue text.

5. Go to “Sensors” screen, all sensors should be removed.
